During the two school years students can postpone only one of these deadlines for the draft version and one for the final version (by a maximum of seven days). The draft version should be as complete and close to the final version as possible. The draft and final version of the works must be sent electronically, in .dot or .docx AND .pdf format to karinthyib@gmail.com and to the subject teacher, and – if requested by the teacher – submitted in printed form to the teacher on the day following the deadline.
