Changing the **deadlines printed in bold** can be permitted by the headmaster only. During the two school years students can postpone only one of these deadlines for the draft version and one for the final version (by a maximum of seven days). The draft version should be as complete and close to the final version as possible. The draft and final version of the works must be sent electronically, in .odt or .docx AND .pdf format to karinthyib@gmail.com and to the subject teacher, and – if requested by the teacher – submitted in printed form to the teacher on the day following the deadline. If the teacher is not available, the printed work can be submitted to the IBDP Coordinator or the secretary. If the student is absent in the period after the deadline, he/she should ensure that the printed versions are received by the corresponding teacher/the IBDP Coordinator.
